2. Hot Lunch - Julie	We have two more hot lunches to go. Term 3 orders are closed now. Papa John's GM Restaurant TCBY Term 3 total profit was 2609
3. Fundraising - Aisha	Paint night was May 29. Profit 170 2 Peaks Coffee had 116 orders. Next up is the Carnival - 60 wristbands were sold the last time she checked. The wristbands will be handed out on Wednesday. Volunteers are still needed. Shifts are available in 30 minute increments. Aisha does have high school kids coming to volunteer but would like parents to volunteer as well. Repost volunteer link on Facebook and Chad to send an email to parents with the link. Katie is setting up a table on Wednesday for people to come and buy wristbands. Wristbands will also be available on the day of the Carnival. Motion to approve an extra $500 funding for the carnival. Approved - 1st Faiza 2nd Bridgette
4. Treasurer - Monika	28 729 - General Acct 15 817 - Gaming Acct The sensory room expense is still to come out of the gaming account which is 3500-4000. That expense must be done to come out of the gaming account because we are close to the 24 month time period that gaming funding was given.

KANAKA CREEK PAC MEETING MINUTES/AGENDA

		There is a gaming funding application pending that cannot be submitted prior to July 31 then the sensory room expenses can be reported. There are two parts to the application, the other is the gaming account expense report that verifies your account details and such.
5.	Popcorn - Faiza	316 orders last popcorn day One more popcorn day to go and Faiza will pull the report for what they owe for popcorn.
6.	Principle Report - Chad	A few of the highlights this month were the track and field at MRSS. Kanaka placed third overall. World cup fever has gripped Kanaka, a lot of red in the school and some classes have gone to the Maple Ridge watch party. One of Kanaka's growth plans involves building connections within our community. In spirit of that we've been working with our pod pals all year. June is Pride month; Kanaka is celebrating diversity and tolerance. A lot of classes are decorating with signs about belonging and how we are better together. At the front of the school there is a display that was created by several different classes with spring and summer themes with rainbows. Rainbow Day is on Wednesday. Presentations going on including drama, Dan the garbage man, and Allouette Addictions. There have been a lot of field trips such as Mr Moran's class who went to Allouette Campground for a few days. Kindergarten classes were at the aquarium. Trips to Langley, and local high school plays. Thank you to the PAC for the upcoming carnival which has a lot of kids excited.
7.	DPAC - Brigette	Went to the DPAC AGM. The iPAD program has been discontinued and the mentorship program for the teachers is

	also canceled. They now have the K -9 numeracy fund and the elementary fund. They said PAC is not to fund any technology. They have a grant for French culture to have French events at the school. We have FSL for Grade 5-7 Susanna CPF Ridge Meadows can be emailed by staff and they will come and put on French events at the school for free. DPAC would like 4 signatories on PAC accounts. BCCPAC does not have much representation from Maple Ridge. There is $100 fee to be on the BCCPAC. Their function is to send information and resources via email. This allows the PAC to vote in the AGM. To be part of the BCC PAC an email needs to be sent to "Amanda the treasurer" Gaming grant applications are due June 30. The gaming grant report is due 90days before the fiscal year end.
New Business	
• Playground	SD 42 is starting to repair the old playground. Chad took some pictures to email SD 42 to look at a couple other deficiencies. The playground is 20years old but still functional with some repairs to the linkages. Bridget shared some pictures of potential new playgrounds. The rubber is quite expensive but the wood chips are an alternative option. The Apollo Double Agent 5-12 year olds $94, 000 (structure only) Forest Rana $110, 000 Think it may be better to go with a ready-made structure rather than putting together individual pieces. Monika asks about an outdoor playground and exploring that as well.

KANAKA CREEK PAC MEETING MINUTES/AGENDA

	We could start by getting that area ready and ask SD 42 for a quote to get it ready with wood chips. Then ask Greg for and quote on outdoor play, outdoor classroom. Does the PAC want to spend existing money on an outdoor playground or focus on using the existing money and fundraising for the new playground structure. Consensus seems to be focusing on the new playground. Tanya/Chad - get a quote from SD 42 on how much it will cost to prep the playground area. Tanya - At Albion she has been working on a playground. Intermediates like risk in structures. The other thing to keep in mind is accessibility to be inclusive. Wood chips would be the bare minimum for accessibility. Rubber could be used as pathways. Cannot prep the ground without knowing what the structure is going to be. The ground prep and installation is done all together. Ideas for fundraising - a gala, a monthly donation people could contribute. Bridget to ask Greg for a playground that could be presented at the next meeting to have an idea of how much we have and how much would need to be raised. Discussion on grants - we might not be a good candidate as we already have an existing play structure. Some schools do not have anything.
• Duck Race	Bridget sent Katie the forms for the duck race. She has submitted them to get tickets to be sold. We can sell until August 1. We get 8$ from every 10$
• AGM	AGM date Monday July 13 @ 6:00pm Potential PAC members are nominated to the position or you can put your name forward. If there is more than one person nominated then it goes to a vote. Chad used a Google form last year to do the voting.

KANAKA CREEK PAC MEETING MINUTES/AGENDA

	There are 2 parent kindergarten groups coming in for meetings Thursday 12:15 and 1:15 - opportunity to advertise to recruit members. Katie to put together a brochure. Katie and Bridget to go and represent the PAC.
