MEETING DETAILS

Items	Minutes
Welcome	Chad gave land acknowledgement
Approval of Agenda	Approved 1st Bridget 2nd Brandi
Reports	
1. President/Vice President - Katie	Looking for a social media campaign to spread awareness about what the PAC does. Look at the budget over the summer and look for ways to communicate this.

KANAKA CREEK PAC MEETING AGENDA

2.	Hot Lunch - Julie/Brandy	Finished with GM and TCBY 398 GM 384 TCBY 2609 Total profit this term
3.	Fundraising - Aisha	2 Peaks - 112.80 profit this term Carnival waiting for numbers from the food trucks. Cotton candy leftover if anyone wants to sell it. $5 Blueberries that are being sold on Thursday could sell at the same time. We made around $1800 for the year. The Halloween dance was the biggest money making fundraiser this school year.
4.	Treasurer - Monika/Gayurthri	Monika shared - Annual report Total 55, 515 in accounts General - 21, 061 Gaming Fund - 11, 817 Questions over allocating money Which account the Kanaka Creek funds should go in - General
5.	Popcorn - Faiza	Increase in order over the last month 317 orders this month Put the popcorn under the hot lunch ordering done per term.
6.	Principle Report - Chad	We had a talent show which went very well. Held June assembly awards. Held volunteer appreciation tea.

KANAKA CREEK PAC MEETING AGENDA

	Thank you to Paige and PAC for the teacher appreciation lunch. Reminder the final report card comes on the MyEd account. Chad has been here 9 years, has his face all over the school the kids have coloured. The biggest thing he has tried to do is support the community.
7. DPAC - Brigette/Paige	No report
New Business	
• Administrative Gift	Glft cards for the secretaries Motion 1st Brady 2nd Paige All approved

KANAKA CREEK PAC MEETING AGENDA

• Sensory Wall	We can put in a sensory wall that is inclusive. Delivery is 6000 with high cost of gasoline Can put the options to the teachers to see what they would like. If we do a sensory wall it will put the playground behind. The playground courses we are looking at might not cater to the needs of all. Bridget thinks if parents see a sensory wall go up that would start to gather interest and momentum around fundraising for the main playground. The dens are 43, 000CAD Could use the 7000$ from the liquor store fund. Should we save the 11,000 in the gaming account or leave for later goals? We will apply for the gaming grant which has to be spent every 2 years. We have to spend the 11,000 in the gaming grant. We have to apply for grants once we get closer to our total. The rubber has more toxins and wood chips are being more widely used, also they are cheaper. However, rubber is more wheelchair friendly. Put together 2 or 3 options we could vote on. Suggest having the playground options of going to Tanya as well to get the teachers input as well. Monika has a friend that can do some mapping to see where everything could go. Tanya was clear she would not sign off on

KANAKA CREEK PAC MEETING AGENDA

	the course if it is not inclusive. Get the Kaltire grant and see if we could do the pathway option for the playground. Lay out 2 -3 options to bring in the staff.
Old Business	
• Website	How can we match the information on the website to Facebook? Tanya is willing to approve member requests on Facebook.
Next Meeting	September 16, 2026 @ 6:30
